How to Order

Fill in the order form, print it out then scan, email or fax it to us. If you have any additional questions, please include them at that time.

Freight

All shipments are sent out freight collect. We choose the best way of getting our plants to you. In Saskatchewan often, the freight charges are less than the fuel to pick them up. When shipping in Canada we often use the bus. When shipping to the US we weigh air mail with air freight. Our biggest consideration is will the plants arrive at your doorstep in great shape.

Guarantee

Select Seedling Nursery uses only F-1 generation seed. Our seedlings are healthy and true to name. We guarantee our seedlings for 60 days with proper care. We do not cover the cost of shipping, handling, border brokerage fees or phytosanitary certificate on replacement plants.
